

MISSION STATEMENT

The Dunham School seeks to provide students with the opportunity for college preparatory education set in the framework of Christian instruction and example. To this end, the school offers boys and girls rigorous academic instruction, challenging athletic and recreational activities, and creative expression in the fine arts. Each of these opportunities is ultimately grounded in a desire to educate the heart.

PHILOSOPHY STATEMENT

A Christian education emphasizes not simply acquiring knowledge, but attaining wisdom. Wisdom is knowledge shaped by the realization of where one stands in relationship to God and by the recognition that the order and beauty seen in the universe is the product of the Creator's hand. Wisdom is understanding that man is made in God's image and is given the responsibility to be a good steward of His world. Yet wisdom cannot simply be taught in the classroom, but must be seen, then emulated.

Bill Peters	Trustee
Larry Roedel	Trustee
Jeff Tanguis	Trustee
Jeff Tessier	Trustee
Bobby Welch	Ex-Officio

The 2010-2011 school year was an important one for our school. In preparation for the re-accreditation process in 2012, the Board of Trustees, administration, and staff examined the fiscal, academic, extra-curricular, and spiritual attributes of Dunham to assure that they are in keeping with our own mission and expectations and those required by state, regional, and national boards from whom we seek credentials. This look "inward" affirmed many of the initiatives begun as part of our school's most recent strategic plan and targeted specific areas at Dunham which need further focus and refinement.

Though difficult for many, the tuition increase provided funding for faculty salary increases and facility maintenance that will assure the future sustainability of Dunham's key personnel and valuable property. Curriculum mapping and individualized planning have resulted in improved student outcomes on semester reports, standardized tests, and college acceptances. New athletic and arts programs have greatly expanded the performance and developmental opportunities for our young men and women. Refinements in student service requirements, Chapel activities, and Bible curricula contribute to a more spiritually mature student body, having a deeper, wider, and more lasting impact on our community.

As you can imagine, this thorough review also identified areas which need further improvement. To that end, academic and administrative councils continue to fine-tune curricula and teaching protocols for sciences, mathematics, English, and foreign languages at all grade levels. Honors and Advanced Placement (AP) classes are being refined, while additional enrichment programs also are being considered.

No school can remain static in today's academic environment; least of all one like our Dunham School, dedicated to honoring the gifts given to us by our Creator God through achieving excellence in every aspect of school life. The board thanks each of you who, by your prayer, emotional and financial commitment, support our faculty's efforts on behalf of our children and their future. We pray that God will greatly reward you and your families for your sacrificial giving in His name.

God Bless You,

Gary Gilbert
Chairman of The Board

LETTER FROM THE HEADMASTER

Dear Dunham Family,

Each year, our Annual Report affords me the opportunity to thank everyone who has played a part in moving the mission of The Dunham School forward. From the volunteer in one of our many parent or alumni groups to the family who contributes to our Annual Giving Campaign all the way to those who support our building projects and endowment – each one of you makes a difference in the life of The Dunham School. As a tuition and gift-driven school, we cannot thank you enough.

I also want to praise Patty Hannaman and her staff, who manage the finances of our school on a daily basis, for their excellent work. Andy Farris and the Finance Committee of the Board also deserve recognition. The staff and the Finance Committee collaborate and communicate with one another extremely well. Andy often comes by after hours to visit with Patty, and I will see them at her desk, reviewing and checking the school's financials in detail. This gives me much comfort; I hope it does the same for you.

Finally, I am thankful for the Auditor's remarks in his report; every year he praises the excellence of our staff and confirms my own assessment of how blessed we are to have such dedicated and capable people. Please review this most recent report and call Patty, Andy, or me with any comments or questions. Most importantly, join me in thankfulness for the many blessings bestowed upon The Dunham School.

Robert Welch
Headmaster

FUNDRAISING SUMMARY 2010-2011

Campaign	Gifts & Payments 2010-2011
Annual Giving Campaign (Unrestricted & Restricted Gifts)	\$391,843
Capital Building Campaign	\$1,535,840
Endowment	\$75,263
Projects & Events	\$200,292
Total as of 6/30/11	\$2,203,238

The Dunham School community is realizing the positive impact of philanthropy which fosters generosity. Students who are now the beneficiaries of this generosity will one day be alumni donors who will make a difference in the next generation of students. As our Dunham community becomes more aware of the school's needs and more engaged in the process of meeting those needs, we all experience a greater sense of accomplishment and appreciation for the end results of our collective efforts.

Thank you!

VOLUNTEER/LEADERSHIP GROUPS

Parents, grandparents, alumni and grandparents of alumni - YOU are the foundation of our Dunham community. Being a part of the Dunham family means being involved **with** the Dunham family. Using your gifts, talents and your interests to serve the school in a tangible way is another way to invest in Dunham. From playing an active role in one of our parent organizations on campus to participating in the many volunteer opportunities throughout the year, getting involved calls on all of us to serve. The more you serve the school, the more you become part of the fabric of the Dunham community.

THE NEHEMIAH FUND - DUNHAM'S ANNUAL GIVING CAMPAIGN

As an independent school without financial support from any church or denomination, Dunham operates solely on tuition and gift income. Participation in The Nehemiah Fund - *Dunham's annual giving campaign* - signals that our school community has confidence in the mission of the school. These gifts support the people and programs that make Dunham special - including small class size, vital and inspiring academic programming, a talented faculty and personal attention.

Nehemiah Fund dollars are spent during the current school year for the annual operation of the school. These tax-deductible donations enable Dunham to fulfill our mission by investing in people who in turn are investing in the lives of children. Faculty salaries and benefits are the largest expenditures in the operating budget. Your Nehemiah Fund gift helps to fund significant budgetary expenditures such as instructional programming resources, financial aid, technology, and physical plant operation.

Every member of the Dunham community is asked every year to support The Nehemiah Fund first. To ensure our success, we stress participation in The Nehemiah Fund first to support annual budgetary program needs, and then welcome additional gifts as possible to benefit capital needs, endowment and special projects.

BUILDING CAMPAIGN SUMMARY 2010-2011

Exceptional Learning Environment

New classrooms, athletic fields and performing art venues do not make a school exceptional. They do, however, provide the opportunity for talented teachers and engaged students to do exceptional things. New facilities foster new programs and new opportunities which helps our students better explore their gifts, talents and abilities; find their passions; and maximize their potential. Many of the recent capital improvements have been part of the school's plan for more than 20 years but could not be implemented without financial support at the levels we have achieved during the past few years. Recent improvements include: Football/Soccer Stadium, McKay Academic Center for Excellence, Lower School, Administration Building, Domingue Athletic Center, Baseball and Softball Fields improvement, Science Center, Dining Hall, Quest Center renovations and the Chapel Arts Center.

Building Campaigns (as of 6/30/11 since start of campaign)	Gifts & Payments	Pledge Balance	Total Committed
Cord Of Three Strands (Lower School & Chapel Arts Center)	\$4,732,627	\$6,719,865	\$11,452,492
Athletic Projects (Football/Soccer Stadium, Baseball Complex)	\$636,415	\$170,000	\$806,415
McKay Academic Center For Excellence	\$988,545	\$421,700	\$1,410,245

CORD OF THREE STRANDS CAMPAIGN

Cord of Three Strands Campaign

(Lower School & Chapel Arts Center)

As of 6/30/2011

Total Committed
\$11,452,492

The Dunham School's Cord of Three Strands Building Campaign is an \$18.5 million campaign launched in 2007 to build a Lower School Complex and a Chapel Arts Center. The Lower School Complex was completed in August 2009 through the generous support of \$9.5 million in campaign gifts. The campaign has raised an additional \$2.5 million to date for the construction of a \$9 million Chapel Arts Center. The school is seeking to raise the remaining \$7 million that will complete the funding for the Chapel Arts Center.

The Chapel Arts Center will serve three primary purposes: it will provide a long awaited home for worship on our campus; it will be a cutting-edge arts facility where creative expression through the arts will continue to flourish; it will be central to our community outreach efforts as we partner with the community and other organizations in using the facility for art enrichment, lecture series, church services, and other community opportunities.

Gift Level	Numbers of Donors to Date	Amount Committed
\$2,000,000	1	\$2,000,000
\$1,000,000-\$1,999,999	3	\$3,531,69
\$500,000-\$999,999	3	\$1,925,000
\$250,000-\$499,999	5	\$1,200,000
\$100,000-\$249,999	9	\$1,142,500
\$50,000-\$99,999	14	\$805,525
\$25,000-\$49,999	17	\$450,525
Below \$25,000	143	\$397,426

ENDOWMENT

Gifts supporting the school's endowment secure the long-term financial sustainability of the school and enhance the quality of education provided. Strong endowments enable schools to endure fluctuations in enrollment and market demand by diminishing dependence on tuition revenue. While the school's annual operating expenses are primarily met through tuition and gifts to The Nehemiah Fund - *Dunham's annual giving campaign* - an endowment provides security to invest in faculty compensation, professional development, financial aid and enriched academic programs.

Dunham currently has two areas of endowment support: **The Master Teacher Endowment** and **The Share Dunham Scholarship Endowment**. **The Master Teacher Endowment** enables Dunham to attract and retain outstanding teachers. **The Share Dunham Scholarship** provides tuition assistance to help "share" the Dunham experience with academically capable students in need of financial assistance.

Master Teacher Endowment

The Liz Peters Master Teacher Endowment is the school's first named master teacher endowment and funds an annual cash award of \$5,000 and an annual salary stipend based on each year's endowment earnings. Mary Ellen Courville was the 2009 recipient, Pam Fletcher was the 2010 recipient, and Beth McInnis was the 2011 recipient.

The Al & Mary Gayden Jones Share Dunham Scholarship

This need-based scholarship was started in 2008 by an anonymous donor to honor Al and Mary Gayden Jones. The scholarship provides tuition assistance to help share the Dunham experience with academically capable students in need of financial aid with preference given to children of widows and single parents in keeping with James 1:27.

The Donald & Mary Tabb Share Dunham Scholarship

This scholarship was started by the school to supplement the financial assistance provided to families engaged in full-time ministry. The scholarship honors Donald and Mary Tabb for their legacy in ministry and education as they exemplify the school's mission of educating minds and hearts for Christ.

BENEFACTORS

Anonymous +

Two Coins Scholarship Endowment

This scholarship is a merit-based award given to an eighth grade student who has exemplified the character of the widow who gave her all in Mark 12:41-44. This merit scholarship was started in the 2010-2011 school year through a gift from Michael and Sharon Jenkins who provided the seed funding to start the scholarship endowment. The scholarship is currently a one-time award of \$500 that is applied towards the recipient's Dunham tuition for the following school year.

BENEFACTORS

Mr. & Mrs Mike Jenkins +

WAYS TO GIVE

Gifts Of Cash

Tax-deductible gifts can be made in a single installment by cash or check or through a pledge to be fulfilled over a period of time.

Student Billing For Dunham Parents

Dunham parents can set up a charge to the student billing account of their oldest child enrolled at the school.

Pledges

Pledges to The Nehemiah Fund - *Dunham's annual giving campaign* - should be made by December 31 and completed by April 30 so the school can apply those funds during the current school year. Capital campaign and endowment gifts are typically pledged over three to five years depending on the cash flow needed for the project being funded.

Gift Or Pledge Online

Pledges and secure credit card donations can be made online at www.dunhamschool.org/giveonline. Online donations can be made using Visa, MasterCard or American Express.

Securities

A gift of appreciated securities entitles the donor to an income tax charitable deduction for the fair market value of the securities. These gifts are usually transfers of securities, including mutual fund shares that have been held for more than a year. Such transfers often allow contributors to realize a significant tax advantage.

Matching Gifts

Corporate matching gift programs help employees maximize their philanthropic contributions. Such gifts are a great opportunity to double or even triple the amount of your contribution to Dunham. To see if your company has a matching gift program, visit www.dunhamschool.org, and click on the "Matching Gift" link under the "Support Dunham" tab.

Planned Gifts

With a planned gift, Dunham receives the asset at some future time, often after donors have received the lifetime income. There are a variety of planned giving opportunities that fit particular, personal circumstances including: Trust Remainder Gifts, Trust-Income Interest Gifts, Gifts of Real Estate or Tangible Property, Bequests, Gifts of Life Insurance or Donation of Retirement Plans.

We value every gift made to The Dunham School. Every effort has been made to ensure that all benefactors from 2010-2011 are listed, and this Annual Report is accurate and complete. This report includes gifts made during the 2010-2011 fiscal year ending June 30, 2011, unless otherwise noted. Omissions or errors do not diminish our tremendous gratitude to all of our benefactors. If we have erred, please accept our sincere apologies and contact us so we may correct our records and apologize personally. Please contact us at (225) 767-7097 ext. 385. Thank you for your support.

Educating the mind and the heart for Christ
